Hi Tim...

I didn't realize that it has been 4 years since Creative Renovations built our screened-in deck. During 8 months of the year it is the most used room in the house and we are still getting compliments about it. We love it! One of our wiser investments!

It is that satisfaction that prompted my call this morning. We want to finish our bonus room and are looking forward to seeing you on Monday to talk about prices, ideas, etc.
