Dear Tim,

We can not thank you and your great team enough for the beautiful sunroom you created for us. It is hard to believe our old 12 x 20 deck could become such a gorgeous and functional year-around room. We were so pleased with all the workmen you used to make the room such a success. We must especially tell you that Greg is phenomenal. How he accomplishes so much so quickly is just unbelievable. He is so patient and persistent with every tiny detail. What an amazing man he is and how lucky you are to have him to manage your projects. We feel very lucky and blessed to have met you at the spring home show and to have worked out this wonderful room with your team.

Thank you so much for all you did to make our long-time dream a reality. We will enjoy it for many, many years to come and be so grateful we made the right choice in choosing Creative Renovations to make our dream come true. Please extend our thanks to Greg, the painters, the sheetrock guys, the roofers... everyone was so easy to work with and everyone was so considerate of our property and privacy. Thank you all so much.

Sincerely,

*Ron and Mary Ellen Brady*

And a very special thank you from GrayC, Zack, and Zoe who are thrilled to have all the windows to look out and enjoy the wildlife.
