Dear Tim,

Can't wait for you to come and take a few photos of this beauty - we just love it - the size, the design, the quality, the workmanship - it's better than we ever imagined - it's another room, basically. You + Greg were both wonderful to work with + extremely accomodating - which is greatly appreciated, Give us a call so we can meet

the family, Thanks again,
Mikel.

P.S. - I promise the real letter will be polished + typed!
