Description Of Work: They enclosed our existing 10 x 10 foot porch and made it into a screened porch. They also built a deck onto the porch. The deck is about 8 x 8 feet. They put lighting in the porch and outside by the deck. They also put about six outlets in the porch and one outdoor outlet.

Member Comments:

I just cannot say enough good things about them. They did an excellent job. The workers were very friendly. We just love the porch and deck. The job was done in a couple weeks. The whole service experience was exceptional. I do not think the price is anyone's business.
