Hi Tim,

Just wanted to drop you a line to let you know how much we are enjoying our new sunroom. We haven't finished decorating it yet but we are already spending quite a bit of time in it, sitting and eating at our dining table. We really like the open feeling of your design idea and the quality of the workmanship makes the room feel like it has always been a part of our house. You and your crew did a wonderful job and we would like to thank you and them for everything. Happy New Year!

Sincerely,
Mike and Bonnie
